

Alta COW WATCH

LEVEL UP *your cow monitoring!*

Improve your herd's repro, health & welfare by making informed decisions that impact your herd's profitability.

Powered by

Make sorting your cows easier than ever with the SmartSort system!

- ▲ Seamless integration with Alta COW WATCH
- ▲ Accurate and fast ID sensors and communication
- ▲ A pre-assembled, quick and easy install
- ▲ No hold gates - high speed continuous cow flow

“This sort gate has been a great experience for us. We get about a **99% sort rate** off of the sort gate”

Deric Wolf, Herd Manager Alfalawn Dairy, WI USA

“Having the sort gates helps us work with the cows we need **without disrupting the rest of the herd**”

Chris Szydel, Herd Manager Pagel's Ponderosa, WI USA
